- Configure your Discussion Forum for your current class
- Use the Discussion Forums to help your students study
- **Grade 30 students' contributions in less than 5 minutes**

STUDY
25-35
HOURS/WEEK
2 HOURS / UNIT / WEEK

Teach Content Without Covering It

- Pre-teach to anticipate troublesome concepts
- Increase learning passively via metacognition
- Increase student participation outside of class by HOURS/weekly
- Grade quickly and effectively
- Learn to briefly release accuracy in exchange for critical thinking skills
- Cut lab explanation time in half
